Essastone® Colour Palette

A natural variation in the colour, size, shape and distribution of the pattern of the natural quartz or the variations in background tone are inherent and unique characteristics of stone products. Please check each slab before installation. Refer to full sheet images at www.laminex.com.au/brands/essastone.

Small contrasting stone particles may appear as a part of the design in all decors. These are not defects but part of the material.

A 10 year warranty applies to Standard and Deluxe ranges. A 15 year warranty applies to Premium, Luxury and Ultimate decors.

Following the care and maintenance guidelines will help you keep your Essastone® surfaces looking great.
