Laminex ColourTech painted doors are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex ColourTech painted doors range as photographic lighting and modern printing processes allow. The Laminex ColourTech painted doors range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex ColourTech painted doors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex ColourTech painted doors 10 year limited warranty from The Laminex Group or visit laminex.com.au. This warranty is in addition to any rights that may exist under the Trade Practices Act. Laminex®, ColourTech®
