

# LAMINEX® COMPACT LAMINATE

Laminex®  
Inspire your space

**Laminex® Compact Laminate** is an innovative, strong, self-supporting and moisture-resistant decorative panel available in three grades: Multipurpose, Innovations and Laboratory. Used in either vertical or horizontal applications, Laminex Compact Laminate has a beautiful appearance with a distinctive black core. It resists scratches, wear, chemicals and impact and requires minimal supporting framework. So it's ideal for shelving, benches and tables. Choosing a colour is easy. There are 27 contemporary decors from the Laminex Colour Palette and a further 6 metallics from the Laminex Innovations® range. For even more reassurance, the entire Compact range is backed by a 10 year limited warranty.\*

**STRONG ■ SELF-SUPPORTING ■ 27 DECORS ■ SCRATCH, MOISTURE & IMPACT RESISTANT**

Laminex Compact Laminate is marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex Compact Laminate range as photographic lighting and modern printing processes allow. The Laminex Compact Laminate range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Compact Laminate should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Compact Laminate 10 year limited warranty from The Laminex Group or visit [laminex.com.au](http://laminex.com.au). This warranty is in addition to any rights that may exist under the Trade Practices Act. Laminex<sup>®</sup>
