essaSTONE™

LAMINATE BENCHTOPS AND DECORATIVE SURFACES

Formica® Laminates and Panels

With colours and designs developed to complement each other tonally, Formica's range of decorative surfaces lets you create a modern, harmonious domestic interior. Formica brings practical, long-lasting appeal to kitchens, bathrooms, laundries and commercial furniture.

Formica® GlossPlus™ Laminates

Glossier than a fashion magazine and just as stylish. Formica GlossPlus features superior wear, abrasive and scuff resistance compared to other standard Gloss laminates. It is ideal for vertical or horizontal applications and the uniquely Australian colours include 'real' stone interpretations and soft warm neutral palettes.

Laminex® Laminates and Panels

Laminex provides the inspiration to help you achieve your vision. Reflecting contemporary international trends, there are over 200 design leading decors in the Laminex Colour Palette including solid colours, stone looks and woodgrains.

Laminex® Squareform® Benchtops

Enjoy the attractive modern look of a stone slab with the practicality and economy of laminate. The range includes some exclusive decors specifically selected for Squareform Benchtops. This opulent range features a seamless, deep square front edge combined with a hard-wearing laminate surface.

Laminex® DiamondGloss® Surfaces

DiamondGloss is a premium range of High Gloss laminates that will add polish to any interior. With exceptional scuff resistance and brilliant lustre, it's a stylish way to achieve an impeccable finish for benchtops, feature walls and cabinets.

SOLID BENCHTOPS

essastone™

essastone is the pinnacle of engineered stone. Offering the enduring appeal of up to 95% natural quartz, a sophisticated palette of designs and an exceptional 15 year limited warranty, the superior quality of essastone makes it a premium choice for kitchens and bathrooms.

Laminex® Freestyle® Surfaces

Aesthetic appeal blends with easy-living practicality. Laminex Freestyle Surfaces are developed from a blend of resins to offer the look of stone along with superb durability, stain and bacteria resistance. They're perfect for benchtops or vertical applications and come in an array of attractive decors.

DOORS AND PANELS

Formica® Melamine Doors

Complete your room with highly durable doors perfectly matched to your Formica benchtop. Contemporary, practical and affordable, there's a range of appealing colours and a choice of Square or Rolled Edges in 3mm or 7mm radius profiles.

Formica® Vinyl Doors

This selection of modern and affordable doors offers mix and match compatibility with the Formica Gloss Panels range. Formica Vinyl Doors are durable and easily cleaned. They come in a variety of profiles with Pearl or Velvet finishes.

Laminex® Contour® Finedge™ Doors

With a contemporary, seamless look these doors feature a sleek 3mm and 7mm profile or Square Edge design complemented by extensive colour options. They're built to withstand everyday wear and tear and are highly resistant to moisture and scratching.

Laminex® Silk Finish™

Laminex Silk Finish has a rich, glossy surface that's both durable and easy to clean. This decorated panel is ideal for doors, drawers and other vertical surfaces. Each of the decors forms part of the Laminex Colour Palette and has a matching Gloss ABS edging. It can also be coordinated with the Laminex Gloss Vinyl Door range for an effortlessly stylish effect.

Laminex® Vinyl Doors

Soft, smooth lines combine with durable, easy to clean surfaces. Choose from Gloss, Satin, Natural or Textured finishes in a comprehensive selection of styles and colours that opens up design possibilities.

Laminex® ColourTech® Painted Doors

Realise your design dream. The latest decors from the Laminex Colour Palette are presented in advanced 2 Pac polyurethane paint, offering exceptional steam and moisture resistance. Available in Gloss, Satin or Textured finishes and a variety of decors and profiles.

Laminex® CrystalGloss® Surfaces

These superb High Gloss surfaces epitomise European sophistication. The CrystalGloss Clear range brings a luxurious polish to selected decors, from solids to woodgrains. The CrystalGloss Metallic range features rich opulent finishes inspired by precious metals and jewels.

DOORS AND PANELS

Laminex® Timber Veneer Panels

This range of Timber Veneers embraces the styles of classic and exotic timbers. These panels provide a sophisticated alternative to solid timber. For a sustainable solution, selected options are available with Forest Stewardship Council® (FSC®) Certification.

Laminex® Pureline® and Fineline™ Aluminium Framed Doors

Add distinctive modern style to your home. European inspired design and a selection of inserts create a linear look. Precision mitred joints and solid aluminium frames ensure lasting beauty.

Laminex® Timber Doors

The luxury and warmth of solid timber doors for traditional elegance. Laminex Timber Doors come in a selection of natural timber grains and a variety of profiles, in either Raw or Satin finishes.

Formica® Gloss Panels

These decorated panels add shine to doors, drawers and other vertical kitchen surfaces. For fuss-free maintenance the panels come in a luxurious Gloss finish. Each of the colours has matching Gloss ABS Edging and form part of the Formica colour range. They also complement the Formica Vinyl Doors collection for truly seamless interior schemes.

SPLASHBACKS

Laminex® Metaline® Splashbacks

Here's a choice that's bound to make a splash. This advanced aluminium splashback system offers High Gloss or Metallic surfaces in a range of striking colours. The polished, modern look is durable, stain and heat resistant and easy to clean. Certified for installation behind both gas and electric cooktops.

essastone™ Splashbacks

essastone is the luxury choice for kitchen splashbacks. With the same sophisticated design palette, enduring appeal of up to 95% natural quartz and 15 year limited warranty, they'll tie in beautifully with your new essastone benchtops.

WALL LINING

Laminex® Aquapanel®

An ideal home renovator's wall surfacing material. It meets all the requirements for wet area wall surfaces such as shower recesses and laundry walls. Available in a large range of colours and Gloss, Matt, Tile and Ripple options.

FLOORING

Formica® Laminate Flooring

Treat your home to European style designed for the Australian way of life. This economical and comprehensive flooring range offers the warm look of timber plus robust resistance to wear, scratches and stains. It's also easy to install and clean.

WARDROBES

Formica® Wardrobes

Formica Wardrobe options help create the most stylish storage solutions. The range of neutral colours come in a variety of woodgrains, solids and patterns. Each is available on 16mm Particleboard or 9mm MDF. The standard Pearl finish option is ideal because it conceals minor scratches and marks.

HANDLES

Laminex® Handles

Handles are a key part of creating the look you're after, whether they're treated as an understated or strong feature. The Laminex Handle range complements just about any design element, particularly the wide range of Laminex doors.

GREENFIRST®

Greenfirst® is the corporate philosophy that underpins The Laminex Group's environmental approach. Committed to sustainable building practices, The Laminex Group offers a growing range of environmentally-preferable surface solutions;
