

LAMINEX® METALINE®

SPLASHBACKS & PANELS

Laminex®
Inspire your space

Splashback in Laminex Metaline Black Ice. Accessories: Planaro sink and Cubex mixer by Franke.

Laminex® Metaline® splashbacks and panels offer even more inspiration. This advanced aluminium based system is the smart alternative to glass, and is available in a range of contemporary colours in a spectacular high gloss finish. Featuring a sleek, continuous look with minimal join lines, Metaline splashbacks and panels offer inherent flexibility, which makes them adaptable to fit any location and will enhance the appeal of any space. A unique flame retardant system has been independently certified by SAI Global as suitable for use behind both gas and electric cooktops. When correctly installed by an authorised installer, Metaline is compliant with the Building Code of Australia (BCA) and AS/NZS 5601:2010 Gas Installation Code. It can be easily fitted to accommodate power points, fixtures and taps. As easy to clean as they are to install, these panels are ideal for a wide range of applications including wall linings, lifts, columns, shop fit-outs, bathrooms and shower recesses. And with superior stain, mould, and heat resistance, their outstanding durability is guaranteed by a seven year limited warranty. With such enduring beauty, Laminex Metaline splashbacks and panels are the smarter choice.

20 CONTEMPORARY DECORS ■ HIGHLY DURABLE ■ SMARTER ALTERNATIVE TO REAL GLASS

Laminex Metaline splashbacks and panels are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The products featured within the imagery in the brochure are as close to the Laminex Metaline splashbacks and panels range as photographic lighting and modern printing processes allow. The Laminex Group recommends the use of mild detergents and a soft, abrasion free cloth to clean the surface. Do not use any cleaning solutions that are highly acidic or caustic as these may damage the surface and gloss finish. Please visit laminex.com.au for specific care and cleaning information. Please note in certain lights or from different angles wipe down marks may be visible. Laminex Metaline splashbacks and panels are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Please obtain a copy of the terms and conditions of the Laminex Metaline splashbacks and panels 7 year limited warranty from The Laminex Group or visit laminex.com.au. This warranty is in addition to any rights that may exist under the Competition and Consumer Act 2010 (Cth). Laminex®, Metaline®
