

LAMINEX® WRITABLE WALL PANELS

Laminex® Writable Walls help you turn every day wall spaces into dynamic zones for sharing and collaboration.

The magnetic laminate panels have a decorative face which can be written on and easily cleaned, as well as an embedded metal foil layer to ensure magnetic objects hold strongly to the surface. Supplied as a 2700 x 1200mm

sheet, edged all around with gloss ABS and ready to hang, Laminex Writable Walls are the ultimate functional solution for creative spaces.

COLOUR RANGE

Magnetic Glossy White

Magnetic Matt Black

Laminex Writable Wall panels are marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. In some cases, Laminex uses computer generated imagery (CGI) to provide graphical representations of our products where actual photos are not available. The colours and finishes of the products featured within all Laminex imagery are as close to the Laminex range as CGI, photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Laminex Writable Wall panels are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Writable Wall panels should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Writable Wall surfaces 7 year limited warranty from laminex.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex®
