Laminex CrystalGloss surfaces are marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in this brochure are as close to Laminex CrystalGloss surfaces as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Laminex CrystalGloss surfaces are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex CrystalGloss surfaces should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex CrystalGloss surfaces 7 year limited warranty from laminex.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex®, CrystalGloss®
