

Laminex[®]

DiamondGloss[®] panels

The Laminex[®] DiamondGloss[®] panels range delivers a stunning high gloss finish, which is polished to perfection giving it a brilliance that is both striking and refined.

Specifically developed for both horizontal and vertical applications, this range of conveniently pre-laminated, double-sided panels offers a curated selection of colours to ensure seamless design incorporation with the broader Laminex range.

Laminex DiamondGloss offers exceptional durability, often difficult to achieve with alternative high gloss materials. With **improved impact resistance, UV stability and enhanced protection against microscratching**[~], coupled with the same easy clean and stain resistant properties you expect from a high quality laminate, look no further than Laminex DiamondGloss panels for your Residential and Commercial projects.

- Board size - 3600 x 1200mm. Double-sided
- Finished panel thickness - 18mm
- Craftwood MR E0 substrate
- Matching ABS gloss edging for all colours
- 7 Year Limited Warranty.

This Mineral Style kitchen features Laminex DiamondGloss in Black for the cabinetry and panels, paired with essastone in Chalkstone Gloss finish for the island and rear benchtop and base front panel. The splashback is essastone in Fino Venato Gloss finish.

100 x 21 x 1mm

Did you know..

Laminex is adding real value to your customers by offering double-sided panels, for the same price they currently pay for single-sided CrystalGloss panels.

When compared to Laminex CrystalGloss surfaces, Laminex DiamondGloss panels offer:

- Improved impact resistance
- Improved UV stability
- Enhanced protection against microscratching~
- The same easy clean and stain resistant properties you expect from a high quality laminate.

^Note that darker colours can show and substrate ripple. We encourage you to seek samples to review the variations prior to making your selection.

For 10+ sheets order and MTO, allow 10 business days plus freight.

Laminex®

Laminex DiamondGloss panels are manufactured, marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. In some cases, Laminex uses computer generated imagery (CGI) to provide graphical representations of our products. Colours and finishes for all imagery and swatches in this book may vary due to paper, printing processes and lighting. For an accurate representation of the product, please view a physical sample. Laminex DiamondGloss panels should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Limited Product Warranty from laminex.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex®, essastone®, DiamondGloss®.
