UNLOCK INSPIRATION WITH THE LATEST LAMINEX PRODUCTS

Offering a complete interior solution with a comprehensive product range, from cabinetry to vertical and horizontal applications, Laminex unlocks the inspiration to create striking and versatile residential and commercial interiors.

The latest additions to the Laminex® Aluminium Framed doors, Laminex® Silk Finish™ and Laminex® Compact Laminate ranges raise the bar of innovation by teaming durability with the most stylish decors and finishes to allow designers and architects to explore design possibilities like never before.

LAMINEX ALUMINIUM FRAMED DOORS

Open up to the creative possibilities with Laminex Aluminium Doors – a premium collection that is not only stylish but also an innovative solution for doors and drawer fronts. Incorporating the latest designs and trends through a variety of frame styles and door inserts, from the brand new range of Coloured Glass and Rippled Glass inserts to Laminex CrystalGloss® and Laminex Timber Veneer inserts, Laminex Aluminium Doors bring a clean, linear look that adds a distinctive modern style to

Laminex®

Inspire your space

interiors. Delivering extra durability, the extended offer of seven aluminium frame profiles within the Laminex Aluminium Framed doors range also feature mitre joints strengthened by specially developed steel brackets, meaning they are both an aesthetic and resilient product ideal for demanding applications.

Laminex Componentry Marketing Manager, Chris Knight said with the introduction of a wide range of frame and insert options Laminex Aluminium Framed doors now offer a range of possibilities to meet any look from classic to contemporary.

“Doors and decorative surfaces form an integral part of interiors; they can positively affect the visual appeal and functionality of any space,” Knight said.

LAMINEX SILK FINISH

Adding a touch of opulence to interiors, Laminex Silk Finish delivers a glossy melamine finish to doors, drawers, panels and other vertical surfaces. The introduction of 10 new decors brings the Laminex Silk Finish offer to a total of 20 decors, each with matching gloss ABS edging for effortlessly stylish colour schemes. Beautifully integrated with other products from the Laminex range, the contemporary look of gloss can be achieved in an interior that requires a hint of glamour. Silk Finish offers more than just good

looks, as the decorative surface is easy to clean and durable enough to withstand the demands of high traffic areas.

LAMINEX COMPACT

LAMINATES

Laminex Compact Laminates has added six decors to the range. Now with over 30 contemporary decors from the Laminex Colour Palette and five metallics from the Laminex Innovations® range, this self-supporting product is ideal for vertical or horizontal applications including partitioning and tabletops. A practical and decorative surface, Laminex Compact Laminate features superior resistance to scratches, wear, moisture, chemicals and impact. With its distinctive

black core, Laminex Compact Laminates are also aesthetically beautiful without the need for edging.

Jared Dinneen, Laminex Marketing Manager, said the latest Laminex product updates have solutions to create truly inspirational interiors, from office and retail spaces to restaurants and beyond.

“Now with more the 50 decors across Laminex Aluminium Framed doors, Laminex Silk Finish and Laminex Compact Laminate ranges, breathtaking and effortlessly stylish looks can easily be achieved,” Dinneen said.

Designed to complement the wider Laminex ranges, Laminex Aluminium Framed doors, Laminex Silk Finish and Laminex Compact Laminate are all backed by limited warranties

ranging from seven to 10 years, ensuring beauty and inspiration is at the heart of any interior space year after year.
