Legend

Decorwood® E0 is STD MDF decorated in E0
Lamiwood® is Moisture Resistant (MR) MDF decorated
Vertiboard® is STD Particleboard decorated
Structural MR® is MR Particleboard decorated with impact resistant surface.
Redback® is Postforming Laminate

Where 'or' is shown in chart this means that either finish/thickness is available dependent on local demand. Check with your nearest branch for specific availability.

For example: **Lamiwood® 16 or 18mm** means that either 16 or 18mm is available, dependent on local demand. Check with your nearest branch for thickness availability in your area.

Chart shows availability of ex-stock products.

For availability of options in other product or sheet sizes as Made To Order options call The Laminex Group on 132 136.

F = Flint G = Gloss N = Natural
R = Ripple T = Tile Z = Glaze

Blank Spaces = Not stocked, check with branch for Made To Order options.

• Available in Laminex DiamondGloss® Surfaces

* Matching 1mm Edging in 251m Rolls

NEW New to range

Commercial Range Service Offer

Stocked at state warehouse, available within maximum 7 working days. Specific lead times will be quoted for volume orders.

Maximum 10 working days ex plant plus transport time. Specific lead times will be quoted for orders greater than 60 sheets. All Decorwood options in extended range are available in pack quantities only. All Decorwood MTO is 20 working days lead time.

▲ Made to order; minimum quantity of 1 sheet; maximum 7 working days plus transport.

■ Made to order; maximum 20 working days plus transport.

For E0 (lower formaldehyde) options, please check with branch for availability. Some dark colours are not available in Structural MR particleboard.

Note: Some other items may be held at a local branch depending on local demand. Please check with your branch.

Dark colours and gloss finishes are not recommended for high wear applications such as busy kitchen benchtops. These colours or finishes will show scratching more readily than lighter colours or lower gloss surfaces and require higher care and maintenance.

Decorwood® E0 is STD MDF decorated in E0
Lamiwood® is Moisture Resistant (MR) MDF decorated
Vertiboard® is STD Particleboard decorated
Structural MR® is MR Particleboard decorated with impact resistant surface.
Redback® is Postforming Laminate

Where 'or' is shown in chart this means that either finish/thickness is available dependent on local demand. Check with your nearest branch for specific availability.

For example: **Lamiwood® 16 or 18mm** means that either 16 or 18mm is available, dependent on local demand. Check with your nearest branch for thickness availability in your area.

Chart shows availability of ex-stock products.

For availability of options in other product or sheet sizes Made To Order options call The Laminex Group on 132 136.

F = Flint G = Gloss N = Natural
R = Ripple T = Tile Z = Glaze

Blank Spaces = Not stocked, check with branch for Made To Order options.

- Available in Laminex DiamondGloss® Surfaces
- * Matching Gloss edging in 1mm 25m lengths

NEW New to range

Commercial Range Service Offer

Stocked at state warehouse, available within maximum 7 working days. Specific lead times will be quoted for volume orders.

Maximum 10 working days ex plant plus transport time. Specific lead times will be quoted for orders greater than 60 sheets. All Decorwood options in extended range are available in pack quantities only. All Decorwood MTO is 20 working days lead time.

- Made to Order minimum quantity of 1 sheet maximum 7 working days plus transport leadtime.
- Made to Order maximum 20 working days plus transport leadtime.

For E0 (lower formaldehyde) options, please check with branch for availability. Some dark colours are not available in Structural MR particleboard.

Note: Some other items may be held at a local branch depending on local demand. Please check with your branch.

Dark colours and gloss finishes are not recommended for high wear applications such as busy kitchen benchtops. These colours or finishes will show scratching more readily than lighter colours or lower gloss surfaces and require higher care and maintenance.

Legend

- * Lamiwood 16mm 2400 x 1200mm. Min. quantities may apply.
 - ** Melamine Edgestrip available in 22mm x 100 L/M rolls unglued 'N'.
 - ¥ Steel Wave has a seam join down the centre of the sheet.
 - ~ Flute Silver has a specific grain direction as indicated by arrows printed on the protective film. When fabricating, adjacent panels must be aligned so that the arrows run in the same direction.
 - + Electro Series laminates are non postforming, horizontal grade suitable for kitchen benchtops and other moderate wear areas.
 - Galaxy laminates and Screen Mesh are not suitable for use in areas of high humidity.
 - # Aluminium Forté has a superior scratch resistance to other metallic laminates but is still recommended for vertical use. Refer to postforming conditions as covered by Laminex Redback technical data detailed in The Laminex Product Catalogue.
 - Carbon Crush and Snow Crush are not recommended for horizontal application.
 - R Available in Ripple
- All Innovations® laminates are suitable for vertical use only, with the exceptions of Brushed Stainless Steel, Steel Wave, and Electro Series. Subject to volumes and technical suitability, other background colours may be available in Scintilla and Galaxy designs.
- Innovations designs have been manufactured for optimum decorative effect and have minimal surface protection. The majority of the vertical grades of Innovations laminates have low resistance to wear, scratch and impact. The non-metallic laminates have a medium resistance to impact. Appropriate care must be exercised in the application and use of these products.

The comprehensive Laminex® Range includes:

Laminex® Colour Palette

The Laminex Colour Palette includes over 200 laminate decors designed to help you make a statement. Worthy of the most discerning environment the Laminex Colour Palette represents the latest in colour and design trends. The range features inspirational designs ranging from solid colours and stone look surfaces, through to the increasingly popular woodgrain choices, making design possibility and style potential practically endless. This brochure shows the availability options for High Pressure Laminate, Board Products, Melamine and ABS Edging.

Laminex® Innovations®

Designed with the commercial specifier in mind the Laminex Innovations range brings freedom of choice, stimulating the senses with creative surface finishes which offer movement through texture and colour; alternative materials and design. This brochure shows the availability options for the Innovations range which is intended for vertical use application only.

Laminex® Commercial Palette

The Laminex Commercial Palette easily provides a multitude of design solutions. The range incorporates a mix of neutrals and optical solids designed as a complementary partnership to a vast selection of woodgrains, some traditional and others reflecting the contemporary look of re-engineered veneers. The Laminex Commercial Palette will inspire design for commercial applications. Available in a range of 60 decors. For more information refer to the Laminex Commercial Palette brochure.

Laminex® DiamondGloss® Surfaces

Laminex DiamondGloss Surfaces are a range of high gloss laminates of unrivalled quality, inspired by strength and beauty. In addition to the highly desirable polished stone effect, the range now includes luscious woodgrains and solid colours and is available in a palette of 48 contemporary designs and colours. All DiamondGloss Surfaces come with a 7 year limited warranty.

Laminex® Squareform® Benchtops

Laminex Squareform Benchtops deliver the contemporary look of a stone slab, with the practicality and economy of laminate. Featuring beautifully seamless, deep square edges and a selection of 31 stone looks in a range of contemporary sedimentary and igneous styles. All Laminex Squareform Benchtops come with a 7 year limited warranty.

Laminex® Compact Laminate

Laminex Compact Laminate is an innovative and durable decorative panel made from thermosetting resins, homogeneously reinforced with cellulose fibres and manufactured under high pressure and temperature. As such, these panels are strong, self supporting, moisture resistant and durable. This product comes in three ranges, each with its own particular properties, applications and colours - Multipurpose Compact, Innovations Compact and Laboratory Compact laminates. For more information refer to the Laminex Compact Laminate brochure.

Laminex® Freestyle® Surfaces

Laminex Freestyle Surfaces are a non-porous surface that provides superior resistance to stains and bacteria. Designed for both consumer and commercial applications including, kitchen benchtops, bathroom vanities, vertical paneling, corporate fitouts, food preparation areas and commercial furniture. Delivering a smooth easy-to-clean, repairable surface with seamless joins, Laminex Freestyle Surfaces will continue to look great year after year. Available in a contemporary range of 45 colours in 12mm and 8 colours in 30mm, and supported by a 15 year limited warranty.
