NOTES

Chart shows availability of stocked products. Items are stocked in line with previous sales history. For availability of other products or sheet sizes as Made To Order options call The Laminex Group on 132 136. To ensure that we can fulfil your order, please advise your representative of large specifications.

Dark Colours

Dark colours are not recommended for high wear applications such as busy kitchen countertops. Dark colours will show scratching more readily than lighter colours, requiring more care and maintenance.

Laminex® Colour Palette

The Laminex Colour Palette includes over 200 laminate decors designed to help you make a statement. Worthy of the most discerning environment the Laminex Colour Palette represents the latest in colour and design trends. The range features inspirational designs ranging from solid colours and stone look surfaces, through to the increasingly popular woodgrain choices, making design possibility and style potential practically endless. This brochure shows the availability options for High Pressure Laminate, Board Products and ABS Edging.

Laminex® Innovations®

Designed with the commercial specifier in mind the Laminex Innovations range brings freedom of choice, stimulating the senses with creative surface finishes which offer movement through texture and colour; alternative materials and design. This brochure shows the availability options for the Innovations range which is intended for vertical use application only.

Laminex® Commercial Palette

The Laminex Commercial Palette easily provides a multitude of design solutions. The range incorporates a mix of neutrals and optical solids designed as a complementary partnership to a vast selection of woodgrains, some traditional and others reflecting the contemporary look of re-engineered veneers. The Laminex Commercial Palette will inspire design for commercial applications. Available in a range of 60 decors. For more information refer to the Laminex Commercial Palette brochure.

Laminex® DiamondGloss® Surfaces

DiamondGloss is a premium range of high gloss laminates that will add polish to any interior. With exceptional scuff resistance and brilliant lustre, it's a stylish way to achieve an impeccable finish for benchtops, feature walls and cabinets. All DiamondGloss Surfaces come with a 7 year limited warranty.

Laminex® Silk Finish™

Laminex Silk Finish is an innovative range of decorated laminate board. This new finish offers a gloss surface with high definition colour clarity. Laminex Silk Finish combines a refreshing use of colour with the functional aspects of decorated board to create a streamlined visual effect for interior spaces. Smooth and easy to clean, Laminex Silk finish is ideal for use on drawers, doors, end panels and breakfast bars. The range is complemented by colour coordinated ABS edging and supported by a 7 Year Limited Warranty.

Laminex® Squareform® Benchtops

Enjoy the attractive modern look of a stone slab with the practicality and economy of laminate. The range includes some exclusive decors specifically selected for Squareform Benchtops. This opulent range features a seamless, deep square front edge combined with a hard wearing laminate surface. All Squareform Benchtops come with a 7 year limited warranty.

Laminex® Compact Laminate

Laminex Compact Laminate is an innovative and durable decorative panel made from thermosetting resins, homogeneously reinforced with cellulose fibres and manufactured under high pressure and temperature. As such, these panels are strong, self supporting, moisture resistant and durable. This product comes in three ranges, each with its own particular properties, applications and colours – Multipurpose Compact, Innovations Compact and Laboratory Compact laminates. Recognising the benefits of low formaldehyde products in sustainable building projects, The Laminex Group have chosen to transition all of our Medium Density Fibreboard (MDF) from an E1 to an E0 rating. E0 MDF emits just half the formaldehyde of E1 MDF (the standard recommended level). Please check with your local branch for stock levels and availability.
