

LAMINEX® FINISHED DESIGNED TIMBER VENEER DOORS

1. Subject to the conditions and limitations set out in this warranty below, Laminex Group Pty Limited A.B.N 98 004 093 092, trading as The Laminex Group, warrants to the original purchaser of any Laminex® Finished Designed Timber Veneer Doors finished product for interior residential or commercial use that The Laminex Group will, at its option, repair or replace that product without charge if it fails directly as a result of a defect in its manufacture or materials used in its manufacture, during the first 7 years after purchase (proof of purchase will be required). Subject to paragraph 7, this obligation terminates at the expiration of 7 years from the date of purchase of the Laminex Finished Designed Timber Veneer Doors finished product from The Laminex Group.
2. This warranty does not cover damage caused by:

 - d) incorrect hinge installation and/or adjustment; or
 - e) general fading and discolouration and change in appearance due to direct and indirect light (exposure to direct sunlight should be avoided). (NB. Veneer products, including Laminex Finished Designed Timber Veneer Doors, being partially comprised of natural timbers will react to direct and indirect light. Therefore, a change of the surface colour and appearance over time is a natural characteristic, not a defect. Additionally, heat and humidity will interact with light to accelerate the ageing process. If exposed to direct and strong light timber veneer products may undergo sudden and irregular changes from the original colour as little as an hour's exposure to sunlight may change the colour of timber veneer.
