NOTES
Chart shows availability of stocked products.
Items are stocked in line with previous sales history.
For availability of other products or sheet sizes as Made To Order options call Laminex on 132 136.
To ensure that we can fulfil your order, please advise your representative of large specifications that may impact stock holdings.

DARK COLOURS
Dark colours are not recommended for high wear applications such as busy kitchen countertops. Dark colours will show scratching more readily than lighter colours, requiring more care and maintenance.

## THE COMPREHENSIVE LAMINEX® RANGE INCLUDES:

The **Laminex Colour Palette** includes 200 laminate decors designed to help you make a statement. Worthy of the most discerning environment the Laminex Colour Palette represents the latest in colour and design trends. The range features inspirational designs ranging from solid colours and stone look surfaces, through to the increasingly popular woodgrain choices, making design possibility and style potential practically endless. This guide shows the availability options for High Pressure Laminate, Board Products, Melamine and ABS Edging.

The **Laminex Commercial Palette** easily provides a multitude of design solutions. The range incorporates a mix of neutrals and optical solids designed as a complementary partnership to a vast selection of woodgrains, some traditional and others reflecting the contemporary look of re-engineered veneers. The Laminex Commercial Palette will inspire design for commercial applications. For more information refer to the Laminex Commercial Palette brochure.

**Laminex Squareform® benchtop laminates** deliver the contemporary look of a stone slab, with the practicality and economy of laminate. Featuring beautifully seamless, deep square edges in a range of contemporary styles. All Laminex Squareform Benchtops come with a 7 year limited warranty.

**Laminex DiamondGloss® surfaces** are a range of high gloss laminates superior to traditional gloss laminates. With a brilliant lustre and exceptional scuff resistance, they feature a selection of polished stone patterns, luscious woodgrains and solid colours. Laminex DiamondGloss surfaces come with a 7 year limited warranty.

**Laminex® I80fx®** surfaces feature unprecedented large scale design, capturing the beauty and magnitude of natural stone in dramatic stone patterns in a selection of natural and DiamondGloss® finishes. Laminex I80fx surfaces come with a 7 year limited warranty.

**Laminex® Impressions™** textured surfaces Spark finish adds depth and a stylish shimmer to stone patterns. Its striking realism evokes the beauty of sparkling quartz grains embedded in stone. Laminex Impressions textured surfaces comes with a 7 year limited warranty.

**Laminex Compact Laminate** is an innovative and durable decorative panel made from thermosetting resins, homogeneously reinforced with cellulose fibres and manufactured under high pressure and temperature. As such, these panels are strong, self supporting, moisture resistant and durable. This product comes in five ranges, each with its own particular properties, applications and colours. For more information refer to the Laminex Compact Laminate brochure.

**Laminex Freestyle® surfaces** are a non-porous surface that provides superior resistance to stains and bacteria. Designed for both consumer and commercial applications including, kitchen benchtops, bathroom vanities, vertical paneling, corporate fitouts, food preparation areas and commercial furniture. Delivering a smooth easy-to-clean, repairable surface with seamless joins, Laminex Freestyle Surfaces will continue to look great year after year. Available in a contemporary range of decors in 12mm and 30mm, and supported by a 15 year limited warranty.

**Laminex Innovations®** create an inspirational space with colour, texture and tone. This exciting selection of vertical surfaces, includes metallic foils, silky satins and brushed finishes, and is ideal for commercial spaces. Laminex Innovations are covered by a 7 year limited warranty and are for vertical application only.

**Laminex® Metaline® splashbacks and panels** are an advanced, aluminium based system featuring a spectacular high gloss finish. It is a smart alternative to glass and is certified for installation behind both gas and electric cooktops. Laminex Metaline splashbacks and panels come with a 7 year limited warranty.
