Creative designers can create washrooms, kitchens, hospitals and much more with the extensive range of HI-MACS® sinks & basins.

Spaciousness, durability and hygiene are key quality features when selecting a sink or basin, making HI-MACS® ideal for commercial and residential applications.

Made from an intelligent composition of acrylic, natural minerals and pigments, HI-MACS® sinks & basins can be seamlessly integrated into HI-MACS® acrylic solid surface benchtops with no visible joins to provide the ultimate in aesthetics and design flexibility.

HI-MACS® sinks & basins are produced using a high-quality casting technique and have a natural matt satin finish.

- **Seamless integration**

Sinks and basins can be easily integrated into the benchtop, providing a smooth, visually seamless surface that supports both hygiene and aesthetic appeal.

- **Hygienic**

Seamless installation of sinks and basins provides a homogenous surface area that prevents bacteria and pathogens from accumulating. The surface is non-porous and 100% water resistant, making it suitable for use in public health related areas where cleanliness is paramount.

- **Easy to clean**

HI-MACS® can be cleaned using a moist cloth and commercial detergent, removing almost all dirt without leaving residue.

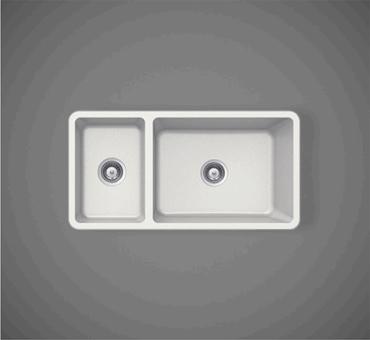

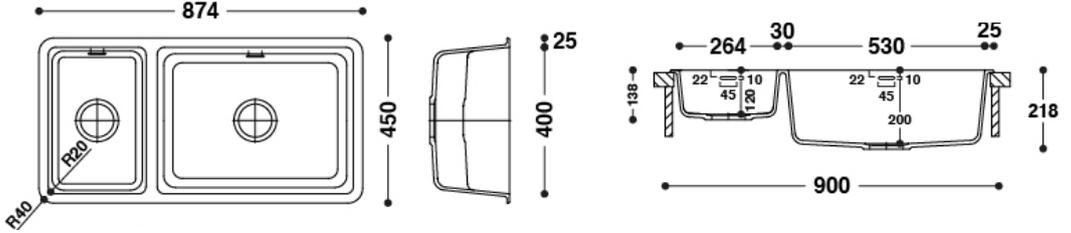

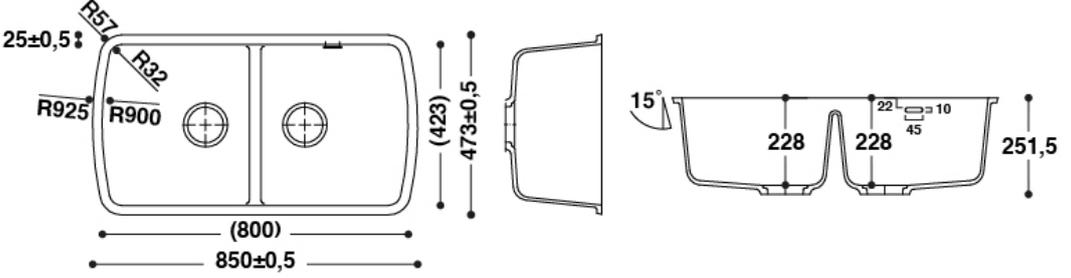

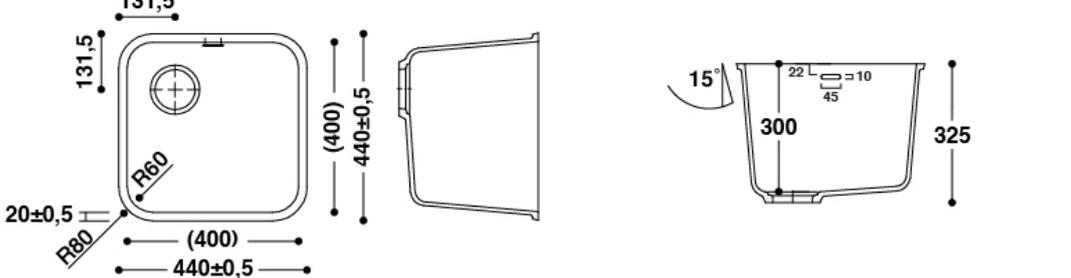

- **Scratch resistant**

HI-MACS® can be re-polished in the event of small scratches – without the need for a tradesman.

CUSTOM DESIGNED SINKS & BASINS

HI-MACS® Ultra-Thermoforming Alpine White creates limitless possibilities when creating custom designed sinks and basins.

▪ Innovation

The innovative formula of HI-MACS® Ultra Thermoforming Alpine White contains 30% more thermoplastic capabilities than the standard range of HI-MACS® acrylic solid surface materials, enabling accentuated curves to be achieved without compromising the quality of the material.

▪ Design advantages

The new formula has advantages in kitchen and bathroom design. The radii of washbasins can be made significantly smaller, improving the aesthetic design.

Ultra-Thermoforming Alpine White	S928	12	3680 x 760	\$620.00

HI-MACS® Ultra Thermoforming Alpine White is available in 1/4, 1/2 and 3/4 sheet sizes to suit the size of your custom designed sink or basin.

TERMS & CONDITIONS

WARRANTY AND CLAIM PROCEDURE

HI-MACS® sinks and basins are subject to a 10 year limited warranty. Warranty does not extend to any of the products which have been:

1. subjected to abuse, misuse, neglect or accident;
2. improperly repaired, altered or modified in any manner;
3. used in violation of written instructions furnished by LG Hausys.

⚠ Boiling Liquids

If you pour boiling liquids into HI-MACS® sinks or basins, you should also pour in cold water at the same time.

PRICING

All prices are exclusive of GST and are subject to change without notice.

NON-STOCKED RANGE

The non-stocked range of HI-MACS® sinks and basins are subject to a 12 week lead time and have a minimum order quantity of 12 units.

DELIVERY FEES

All orders will incur a standard Laminex logistics fee (\$28.50 + GST) which applied to the first order per day per customer.

Orders with sheets: A small order surcharge of \$110 + GST will apply to any HI-MACS® orders of \$1800 (excl. GST) or below.

Orders without sheets: Orders without sheets totalling less than \$300 (excl. GST) will be charged a delivery fee of \$30 + GST.

RETURNS

Returns due to 'change of mind' or over ordering will incur a re-stocking fee of \$250 + GST, in addition to a transport fee of \$110 + GST.

Returned sinks/basins must be in 'as new' condition, include the plug & waste accessory, and returned in original packaging.

Returns due to faulty product must be inspected by your Laminex Sales Representative and approved for return.
