Colour Collection

Benchtops & Cabinetry

Design for life.

Laminex® has been part of Australian life for 90 years. Our commitment to design, innovation, quality and sustainability endures. That's why we continue to produce a beautifully curated collection of decorative surfaces. They're perfect for a wide range of styles and applications, and are designed to stand up to the rigours of everyday life.

Above: Cabinetry in **Laminex Peruvian Clay**, Benchtops in **Laminex Luxe Elba TrueScale**. Styling by Natalie James, Photography by Lillie Thompson.

Navigating the range.

The Laminex Colour Collection is a timeless range of laminates, categorised into four décor categories: Whites & Neutrals, Woodgrains, Minerals and Accents – globally inspired by the colours from nature for all Australians to enjoy.

Whites & Neutrals

Laminex Whites offers a range of base tones giving each shade its distinctive character. Often inspired by nature, neutrals offer raw, organic characteristics ranging from lighter tones to a selection of dark colours featuring deep, smokey greys through to intense charcoals and blacks.

Woodgrains

Laminex Woodgrain surfaces beautifully reflect the authentic textures and tones of solid timbers. In a market first, our Laminex TrueScale range allows large scale surfaces to be created without repeat. Select from cool and neutral grey tones, through to lighter warm and darker woodgrain surfaces.

Minerals

The Minerals range is inspired by the textural beauty of natural stone and concrete surfaces. In a market first, our Laminex TrueScale range allows large scale surfaces to be created without repeat. Marble décors offer timeless sophistication whilst our aggregates deliver a luxurious look of natural stone, quartz and terrazzo styles. Our concrete décors are raw and unrefined, bringing a sense of lasting durability.

Accents

The Laminex Accents range is an evolving palette of décors that reflect shifting design trends. Accent colours can help lift and add impact with soft and delicate pastels to brilliant bolds, or even create whole rooms of pop and vibrancy.

Laminex Finishes.

Most Laminex colours are available in a range of finishes for various applications. Here's a guide to each of the laminate finishes:

Natural Finish

A low sheen, smooth touch surface that is a durable and low maintenance option for benchtops and cabinetry.

Flint Finish

A subtle textured finish with a soft sheen that is a durable and low maintenance option for cabinetry.

Silk™ Finish

A luxurious semi-gloss surface that is easy to clean and adds sleek style to cabinetry.

Chalk Finish

A low-gloss tactile finish with the look and feel of a raw veneer, suitable for benchtops and cabinetry.

Nuance Finish

A combination of matte and gloss that mimics the effect of a sandblasted straight grain to add beauty and realism. Designed for cabinetry and low-wear surfaces.

DiamondGloss® Finish

A stunning high gloss benchtop surface, polished to perfection giving it a brilliance that is both striking and refined.

AbsoluteMatte® Finish

A super-matte, tactile and fingerprint-resistant surface, coupled with antibacterial protection and suitable for benchtops and cabinetry.

AbsoluteGloss™ Finish

Featuring a highly reflective finish with outstanding durability against every day usage and an easy to maintain surface.

AbsoluteGrain™ Finish

A premium matte woodgrain finish featuring subtle textural variation and intricate detailing to give the organic look and feel of natural timber.

Laminex laminates combine timeless and contemporary colours and finishes with the durability to stay looking pristine in the most demanding interior environments. They're hardwearing, stain resistant, easy to clean, and rigorously tested to ensure that they satisfy Australian standards for surface materials.
