& Panels

Laminex Metaline® Splashbacks and Panels

A smarter way to inspire your home or commercial space.

This innovative, easy to install aluminium-based system boasts a clean continuous look that's comparable to glass, but with superior cost efficiency and versatility. With its ability to fold and bend, together with seamless finish, Metaline is ideal for a range of applications. From curved pillars and feature walls to bathrooms and wall linings, it offers surface solutions that are both flexible and functional.

A fire retardant core, means Metaline is suitable for use behind both gas and electric cooktops. When correctly installed according to the Metaline Fabrication Manual, Metaline is compliant with the Building Code of Australia and AS/NZS 5601 Gas Installation Code. This product can be easily fitted to accommodate power points, fixtures and taps and with superior stain, mould and heat resistance, Metaline has outstanding durability backed by a seven year limited warranty. Choose from two panel sizes (3600 x 1500mm, 3600 x 800mm), and whatever your next project may be, make a smooth, confident statement with Metaline.

Laminex Metaline splashbacks and panels are marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in the brochure are as close to Laminex Metaline splashbacks and panels as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Laminex recommends the use of mild detergents and a soft, abrasion free cloth to clean the surface. Do not use any cleaning solutions that are highly acidic or caustic as these may damage the surface and gloss finish. Please visit laminex.com.au for specific care and cleaning information. Please note in certain lights or from different angles wipe down marks may be visible. Laminex Metaline splashbacks and panels are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Please obtain a copy of the terms and conditions of the Laminex Metaline splashbacks and panels 7 year limited warranty from laminex.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex® Metaline® 180fx® CrystalGloss® Freestyle® ColourTech®
